Taking VITA/TCE Certification Tests

Volunteers preparing tax returns must pass either the Basic or Advanced certification test. Note that Basic and Advanced are standalone certifications; it is not required to take the Basic exam if you wish to certify in Advanced. A minimum score of 80% is required to pass each certification test. After your Basic or Advanced certification, you can test for the optional Health Savings Account (HSA) certification. Only volunteers who have passed the Advanced exam may choose to test for any or all of the other certifications: Military and International. You are allowed two attempts to take each exam.

- After launching an exam, you'll get an introduction page to the exam, which has useful information and may have links to tax tables or course scenarios. Open these PDF documents if available and either leave them open on your computer for reference, or print them out.
- After reading the information on the introduction, click the **Start Assessment** button.
